## OPEN 7

New to the Pro Open line, the Open 7 joins the **Pro Open 550 & 650** - a design that has truly moved beyond the boundaries in the RIB world for **20 years**.

Aft seating is 100% removable.

## MODULARITY

A true swiss-army knife, useful in all activities, the Open is the cross-over of the seas. The versatility of this rigid-hulled inflatable has been thought out in every detail. Its conception allows it to be easily transportable, even when the tubes are inflated, and is adaptable to your activities: trips, waterskiing, wakeboard, sun-bathing, etc.

## PERFORMANCE

With its V-hull and optimized deck plan for better mobility onboard, the Open offers exceptional stability for cruising. It is the perfect balance between performance and comfort. You can enjoy any day at sea with family and friends.

A perfectly ergonomic driving cockpit.

## STORAGE

The optimization of storage areas on the deck, accessible through the movable console, offers a more-than-generous space for all your gear (skis, fishing, diving, security). Perfect for all of your favorite water activities.
